## A SHORT SUMMARY OF FRIDAY SERMON

**Men of Excellence - Hazrat Abu Dujanah (ra)  
Delivered at Masjid Mubarik - 13th Nov 2020**

His Holiness (aba) related a narration in which it is stated that on the day of Uhud, the Holy Prophet (sa) took a sword and asked who would take it. Upon this all the companions presented themselves to take the sword from the Holy Prophet (sa). Then the Holy Prophet (sa) asked who would take the sword and do it justice? Upon this, everyone remained silent, and only Hazrat Abu Dujanah (ra) presented himself to take the sword. Upon this, the Holy Prophet (sa) granted him the sword, and it was with this very sword that Hazrat Abu Dujanah (ra) caused great devastation to the enemy.

His Holiness (aba) presented another narration that during the Battle of Uhud, whilst battling the enemy, Hazrat Abu Dujanah (ra) came across a woman who was also fighting named Hind. She was fighting against the Muslims and inciting her soldiers to kill the Muslims. Hazrat Abu Dujanah (ra) approached her and raised his sword in order to attack her. Seeing this, she called out to her soldiers to come and protect her, however no one came to her aid. Hazrat Abu Dujanah (ra) had his sword raised ready to attack, however he lowered it and went away. Later, someone asked him why he had done this, despite the fact that she was also fighting and inciting soldiers to kill Muslims. Hazrat Abu Dujanah (ra) replied that it was not right for the sword of the Holy Prophet (sa) to be used against a woman, especially when there was no one around to protect her. It was then that it became clear that it truly was Hazrat Abu Dujanah (ra) who could have done justice to this sword.
